24th August, 2021

Dear Valued Client,

It is with much excitement that we announce Sunfam has entered into an agreement to be acquired by Elders commencing on September 30, 2021.

This is a great opportunity for Sunfam as we believe Elders will provide new opportunities to expand our already very successful business. Elders also recognise there is a valuable skillset within Sunfam that may be used to enhance their product offering in some of their other branches. We are pleased to be recognised and respected by this leading Australian company, as they bring over 182 years of experience in regional and rural Australia, and we share very strong values and a commitment to excellent customer service.

It will be business as usual in our day-to-day operations. We will continue to operate from all current locations with direct invoicing of our products and services under the Sunfam brand. Our friendly staff are only too happy to continue to advise & assist you as required.

Alan, Keli and Ian will continue our positions in the general running of Sunfam.

We are committed to working closely with the team at Elders to ensure our clients continue to receive the high level of service and communications that you have become accustomed to. We will endeavour to make this process as seamless as possible. More details will be available closer to the changeover date.

We would also like to take this opportunity to thank you for your business and support. We are very proud of the company we have grown, and we look forward to this next chapter, and the further expansion of our service offering to you, our valued client.

Please do not hesitate to contact Ian or Alan Loeskow if you have any questions.

Regards,

Ian Loeskow

Managing Director
